

Midterm Exam Scale and Histogram

For the most part, the class did extremely well on this midterm. The median was an 87 percent, which is higher than in any past year. As a result, I've made the scale somewhat more generous than usual, with the median grade falling at the top of the B+ range.

You can determine the letter grade for the exam by looking up the percentage score marked on the top of the exam in the following table:

Range	Grade	N
99-100	A+	5
93-98	A	66
89-92	A-	72
84-87	B+	39
78-83	B	51
71-77	B-	33
66-70	C+	16
56-65	C	25
50-55	C-	5
45-49	D	8
00-44	NP	5

A complete histogram of scores appears on the back of this page.
