

The Mailing List

Subscribing to the Mailing List

We will be using the list cs110-all@lists.stanford.edu for class announcements. Please subscribe yourself to this list as soon as possible so that you receive any updates or important information. To subscribe, send a message to majordomo@lists.stanford.edu with the following as the body:

```
subscribe cs110-all
```

You should receive a confirmation message welcoming you to the list. You will then receive all mail sent to the list.

Sending a Message to the List

To send a message to the list, address your message to cs110-all@lists.stanford.edu and enter your message as you normally would. Everyone subscribed to the list, which should be the entire class, will receive the message. Therefore, please only send a message to the list if it concerns the entire class. If you only want to email the staff, please address your message to cs110-staff@cs.stanford.edu.
